

O'BRIEN 56 OPEN FLYBRIDGE TOOLING MOULDS FOR SALE

SPECIFICATIONS

- L.O.A. 17.74 Metres (58.23 Feet)
- Measured Length 17.14 Metres (56.23 Feet)
- Waterline Length 14.9 Metres (49.0 Feet)
- Maximum Beam 5.56 Metres (18.24 Feet)
- Draft 1.2 Metres

O'Brien Boats are relocating the factory and would like to look at options for the OB56 moulds: Hull, Deck, Fly-Bridge and all its internal moulds, the new premises won't have the space for the 56 tooling.

All the NSCV approved design drawings and DWG build data will be part of the sale.

We intend to concentrate on our OB6M, OB38 Fly-Bridge, OB38 Express, OB48 Fly-Bridge and the new OB52. Enclosed Fly-Bridge boat range.

O'BRIEN 56 BUILT AND LAUNCHED 22/02/2010
